More than 20.000 meetings in 20 years of professional experience. Author of the "1st Manual for Team Coaches: Team-CARE, together we win". Translated into Italian in "Il 1^o Manuale per Team Coach: Team-CARE, insieme vinciamo".

Marco Lagana' is a European citizen who has been working in literally hundreds of international and national teams, working groups, committees and project teams, at the European Central Bank and in the private sector.

ACC-ICF certification by the International Coach Federation. Professional coach ex lege 4/2013. Currently Team Coach and Manager of a diversified group of 120 employees spread in 11 teams, 13 regions and 30 cities in Italy; servicing 10 business areas in the Business Transformation dept.

A senior business transformation agent profile with 20 years of international experience, flexibility, either in the work style (e.g. proactive, problem solving) or in the role (e.g. top management advisor, team leader, project manager), proven negotiation and communication skills, relationship management, strategic vision, solid analytical capabilities.

As volunteer, he is active in the field of promoting high quality formal and informal education for all, with a local, national and European perimeter.
